What will the traffic situation be like in 1997? This is a situation that Alan Ayckbourn tries to depict in his humorous play 'Standing Room Only', when the chaos of today's traffic finally overtakes the capacity of London's Road System and Pa Hammersmith's bus becomes his home. The trials and tribulations of Pa's family are complicated by the addition of the State Trained Housing Ministry Official, John - Nita's fiancé. With the arrival of Paul, the State Illegitimate Child and Ellie, the very long suffering passenger, 'Standing Room Only' makes you wonder what will happen when the real Satuation Saturday overtakes us.
